

**CHRISTIAN
HERITAGE**

offers a variety of athletic opportunities through several sports teams for both boys and girls in grades 5-8. We have a modern athletic facility, including bleachers, locker rooms, and an electronic scoreboard. Additionally, we stock a full concession stand during all home games!

Practices for all sports are held on campus (or on adjacent properties) after school hours. There are minimal expenses associated with participation on our athletic teams. Primarily participation expenses include a minimal participation fee (\$20 to \$60) and the cost for shoes and other athletic equipment. Our primary funding source for our athletic program is our concessions & gate admission.
