Christian Heritage Cook Out
was a **HUGE** Success!

More than 200 came to the Christian Heritage Family Cook Out on October 9, 2015. University Boulevard Church treated them to drinks, hamburgers, slaw, beans, potato salad and chips. Empty tables soon filled up with people ready for good food and fellowship. Smiling servers handed out chips and other food. Brian Weaver and Eddie Mims worked over a hot grill to cook the burgers. There were lots of smiles, even in the food line. Others lined up to try and dunk Coach French. James and Lori Dean enjoyed themselves as did those getting Kilwin's ice cream. Jim Stephens was seen with a smile on his face because he avoided the dunk tank this year. (The roving camera missed getting his photo.) Thanks to all who made this event such a success!!
